“Greetings from the Organizing Committee of **DEPARTMENT OF ANAESTHESIOLOGY**” Its great pleasure to announce the Zoom Conference on “**Critical Airway Management**” organized by Department of Anaesthesiology, Dr. D Y Patil Medical College Hospital & Research Centre, Kolhapur.

The biggest challenge for the anesthesiologists is securing airway in anticipated as well as in unanticipated difficult airway scenarios and in critical emergency situations. Ultrasound Assessment of Airway, Different Supraglottic Airway Devices, Video Assisted Airway Equipment, Fibreoptic Bronchoscope & Surgical Airway are available to tackle these situations but proper knowledge about the newer techniques and current guidelines is necessary. Keeping focus on airway management skills we have organized this conference.

On behalf of Dept. of Anaesthesiology, we express our sincere thanks to all the esteemed guest faculties and chairpersons for accepting our Invitation to lead this conference. Their valuable contribution through the lectures and their practical experiences will be of great help to the attending delegates & postgraduates.
