1.	<p><b>Topic :- ROP Practical Tips</b></p> <p><b>Introduction:-</b> The Department of Ophthalmology at Dr. D. Y. Patil Medical College Hospital &amp; Research Institute, Kolhapur, organized an insightful guest lecture on "ROP – Practical Tips" on Thursday, 19th June 2025. The session was graced by <b>Dr. Anant Bhosale</b>, a distinguished Vitreo Retinal Surgeon with international credentials and expertise in advanced retina surgery. The lecture aimed to provide practical insights into the diagnosis and management of Retinopathy of Prematurity (ROP), a condition of growing significance in neonatal ophthalmology. This academic initiative was designed to enhance the clinical knowledge of postgraduate students, faculty, and practicing ophthalmologists, encouraging informed decision-making in the management of ROP.</p>

14	Dr. ANANT BHOSALE	Speaker	

6.

### LEARNING OUTCOMES :-

1. Participants will be able to identify the risk factors and stages of Retinopathy of Prematurity (ROP).
2. Learners will gain practical knowledge of ROP screening protocols and diagnostic techniques.
3. Attendees will understand the indications and methods for timely intervention in ROP cases.
4. Participants will be equipped to apply updated clinical guidelines in real-world neonatal care settings.

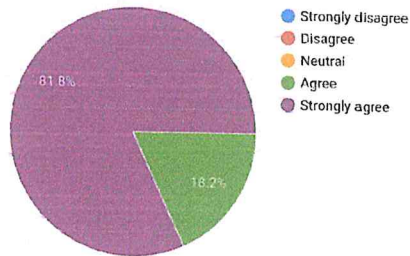

5. Learners will develop improved confidence in managing ROP cases through expert-driven insights.
