<b>TITLE</b>	<u>Alumni Lecture</u>
<b>TOPIC</b>	<b>ENDOMETRIOSIS</b>
<b>DATE</b>	25 <sup>TH</sup> JUNE 2025
<b>ORGANISER</b>	Department Of OBSTETRICS & GYNAECOLOGY
<b>INTRODUCTION</b>	<p>It is both an honour and a privilege to welcome a highly respected and accomplished figure in the field of laparoscopic surgery — Dr. Yashodhan Deka.</p> <p>Dr. Deka holds an impressive academic and professional background, having completed his MBBS from Manipal College of Medical Sciences, followed by his MS from D.Y Patil medical college , Kolhapur, and DNB from Bangalore Medical College. His commitment to excellence led him to pursue advanced laparoscopic training in Kochi, New Delh and Ahmedabad — equipping him with a wide range of sk that he has continuously used to improve surgical care.</p> <p>Currently, he serves as a Consultant Laparoscopic Surgeon at both Nalbari Maternity Hospital and Sarathi Hospital, where his work continues to impact countless lives with precision and compassion.</p> <p>Dr. Deka is not only a skilled clinician but also a passionate educator. He has served as operating faculty at numerous prestigious workshops and conferences, including:</p> <p>East Zone YUVA FOGSI Shillong 2019 Endogyn Trailblazer, Gujarat 2019 Endoconclave, Downtown Hospital 2019 West Zone YUVA FOGSI Ahmedabad 2020 and several others across Guwahati, Silchar, Tinsukia, and Nagaon.</p> <p>His dedication to surgical advancement and medical education is truly commendable.</p> <p><b>Let us all extend a very warm welcome to Dr. Deka. We are honored to have you with us today, and we look forward to learning from your vast knowledge and experience.</b></p>

MEDICAL COLLEGE HOSPITAL  
& RESEARCH INSTITUTE,  
KOLHAPUR

### *Alumni Lecture (Interactive Webinar)*

organised by  
Department of  
**Obstetrics & Gynaecology**

*Topic :*

## **ENDOMETRIOSIS**

*Speaker :*

**Dr. Yashodhan Deka**  
MS ( Obst & Gyn.), DNB

**Date :** 25 June 2025 **Time :** 11 :00 am to 12: 00 pm

**Venue :** Seminar Hall, 1<sup>st</sup> Floor - Obst & Gyn Ward,  
Dr. D. Y. Patil Hospital, Kolhapur

## OBJECTIVES

- **To define Endometriosis** and understand its epidemiology and clinical relevance in women's health.
- **To explain the pathophysiology** and potential causes of ectopic endometrial tissue growth.
- **To identify the common symptoms** and clinical presentations of endometriosis, including chronic pelvic pain and infertility.
- **To discuss diagnostic tools** including imaging techniques and the role of diagnostic laparoscopy.
- **To understand the staging system** (ASRM classification) used to evaluate the severity of the disease.
- **To explore the medical and surgical treatment options**, including hormonal therapies and laparoscopic interventions.
- **To examine complications** and long-term effects of endometriosis on reproductive and overall health.

- To emphasize the importance of early detection, patient education, multidisciplinary management.

- To encourage awareness about the impact of endometriosis on quality of life and mental health.

⑭	Dr. Pooja Patil	JR-3	
⑮	Dr. Sneha Komasa	JR-III	
⑯	Dr. Anisha Singh	JR-I	
⑰	Dr. Rishi	SR	
⑱	Dr. RISHITHA CHALASANI	JR-I	

### LEARNING OUTCOME

- **Defined endometriosis** and learnt its prevalence and significance in reproductive health.
- **Understood the pathophysiology** behind the development of endometrial tissue outside the uterus.
- **Learnt about the clinical symptoms** and signs associated with endometriosis.
- **Identified appropriate diagnostic methods**, including imaging and laparoscopy.
- **Learnt about the stages** of endometriosis based on the ASI classification.
- **Discussed treatment options**, including both medical and surgical approaches.
- **Will be able to apply clinical knowledge** to develop effective management plans for patients with endometriosis.

### FEEDBACK & EVALUTATIONS

The guest lecture on *Endometriosis* was highly informative and well-structured. The speaker effectively explained the pathophysiology, clinical features, diagnostic methods, and treatment options related to the condition. The session enhanced our understanding of the impact of endometriosis on women's health and highlighted the importance of early diagnosis and patient-centered care. Overall, it was an engaging and educational experience.
