REPORT**

TITLE	Guest Lecture by :- <i>Dr. Kshitij Kulkarni</i> <i>Consultant Orthopaedic and Trauma Surgeon,</i> <i>Dhanvantari Hospital Kolhapur.</i>
TOPIC	<i>"From scalpel to shutter; the duel life of Doctor- Photographer"</i>
DATE	24 th July, 2025. Thursday.
ORGANISER	Department Of Orthopaedics.
INTRODUCTION	<p>The Orthopedics Department proudly hosted an inspiring alumni lecture featuring Dr. Kshitij Kulkarni, a respected orthopaedic surgeon and passionate photographer. Introduced by Dr. Pradeep Patil, Head of the Department, Dr. Kulkarni was warmly welcomed as an alumnus and the son of renowned orthopaedics professor Dr. P. G. Kulkarni. The event celebrated not only his medical achievements but also his artistic journey behind the lens.</p> <p>Dr. Kulkarni's presentation was a visual and emotional journey through his life, featuring a curated selection of photographs taken during travels, clinical moments, and personal milestones. Each image was accompanied by anecdotes that revealed the context, emotion, and technical choices behind the shot. His storytelling bridged the worlds of medicine and art, showing how both require precision, patience, and empathy.</p> <p>He emphasized to postgraduate students that cultivating hobbies is not a distraction but a vital part of holistic development. The lecture sparked meaningful conversations among faculty and students about work-life balance and the role of creativity in medicine.</p> <p>The event concluded with a felicitation ceremony led by Dr. Amol Gowaikar, Associate Professor, who presented Dr. Kulkarni with a certificate and memento. In a touching gesture, Dr. Kulkarni gifted a framed photograph to Dr. Pradeep Patil to commemorate the inauguration of the new orthopedic ward. A group photo with faculty and residents captured the spirit of the occasion.</p>
