Research Institute, Kolhapur

## OBJECTIVES

- \* To guide postgraduate surgical students on the process of preparing for super specialty entrance exams (SSCs/NEET SS/etc.).
  - \* To provide insights into the current examination patterns, recommended study materials, and time management strategies.
  - \* To inspire students by sharing real-life experiences and a roadmap to success in the surgical super specialty field.
- Presentation Highlights:**
- Dr. Mrinal Sharma delivered a well-structured PowerPoint presentation that covered the following key areas:
- \* **Overview of Super Specialty Entrance Examinations:**
    - Introduction to NEET-SS and INI-SS
    - Eligibility criteria and exam timelines
    - Recent changes in the exam pattern and marking schemes
  - \* **Study Strategy and Time Management:**
    - Creating a personalized study plan

Balancing clinical duties with exam preparation

Importance of consistency and revision cycles

**\* High-Yield Resources and Reference Materials:**

Recommended textbooks and online platforms

Use of MCQ books, mock tests, and question banks

Tips for effective note-making and quick revision

**\* Common Mistakes and How to Avoid Them:**

Misallocation of study time

Ignoring weaker subjects

Over-reliance on selective topics

**\* Personal Journey and Motivation:**

Dr. Sharma's experience with preparation and exam challenges

Insights into his learning approach and turning points

Encouraging words for students to stay committed and focused
